

Now Hiring: Summer Swim Head Coach

Join the **Washington Park District** team as Water Jets Head Coach! Lead a competitive swim team during the summer season, inspiring swimmers of all levels to achieve their best while fostering a fun, inclusive, and supportive environment.

Key Responsibilities:

- **Training Plans:** Develop comprehensive training programs focused on technique, conditioning, and growth.
- **Practice Leadership:** Conduct engaging practices emphasizing skill development and race strategy.
- **Athlete Development:** Evaluate swimmer strengths and create individualized plans for improvement.
- **Meet Management:** Organize and manage swim meets, including lineups and logistics.
- **Team Culture:** Build a positive, sportsmanship-driven team environment.
- **Supervision:** Oversee and mentor assistant coaches for consistent coaching quality.
- **Parent Communication:** Provide updates on swimmer progress and foster parent involvement.
- **Safety:** Enforce pool safety protocols and maintain a secure environment.

Required Skills & Qualifications:

- Advanced swimming expertise and knowledge of competitive techniques.
- Proven coaching experience, especially with youth athletes.
- Strong leadership, communication, and organizational skills.
- Current CPR, First Aid, and relevant coaching certifications (e.g., USA Swimming).

What We Look For in All Employees:

- Reliability and punctuality for every shift.
- Strong communication and knowledge of the park district.
- Ability to follow directions and work with enthusiasm.
- A positive attitude and a passion for your role.
- Must be at least 21 years old.
